

WEEKLY UPDATE

October 21, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. Due to the increase in positive tests in Harris County, we will resume weekly COVID 19 testing of employees.

We are still working on diligently with the Department of Health and Human Services to create a plan to allow for visitation. We have sent our plan to HHSC and we are waiting for approval, once received we will notify all family members of our visitation policy. We appreciate your patience on this matter.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (346) 998-3500.

Sincerely,
