

WEEKLY UPDATE

October 28, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. Since the start of the pandemic we have only had 6 employee test positive. We continue to test weekly due to the positivity rate in Harris County rise above 5%.

We are still waiting on approval from the state office in regards to our visitation plan, but we will be rolling out an essential care giver program next week. Please call the Administrator for further information.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (346) 998-3500.

Sincerely,
