WEEKLY UPDATE

December 18, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We did have one employee test positive, but she did not show any symptoms. Since March we have had seven positive employees who have completely recovered. We are still very proud and fortunate to say we have no residents that have contracted the virus. Due to Harris County positivity percentage exceeding 10%, we are now testing employees twice a week. Also, because of the increased positivity we are putting on hold the essential care giver program at this time.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (346)9983500.

Sincerely,

Femi Alabi-Isama
