

WEEKLY UPDATE

June 3rd, 2020

Dear Residents and Families/Representatives,

As we approach summer and states are starting to reopen slowly, we want you to know that the staff at Terra Bella Health and Wellness continues to work hard to keep our residents safe and we are still following all recommendations of our federal, state and local health officials to prevent the spread of COVID-19.

We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. Terra Bella at this time has tested all residents and employees, per Governor Abbott request. We are pleased to announce we have no COVID positive cases to report, and we are taking every precaution to keep it this way. .

As a reminder, only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for updates. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly 346-998-3500.

Sincerely,

Femi Alabi-Isama
Administrator
