WEEKLY UPDATE

July 15, 2020

Dear Residents and Families/Representatives,

Please accept this letter as an update on the status of COVID-19 in our facility and what we are doing to keep our residents and staff during this ongoing pandemic. Since the onset of this virus, we have had zero residents and four staff members test positive for COVID-19. Of the four employees that have tested positive, 1 had fully recovered and will be returning back to work. We do not have a plan for additional mass testing, but we continue to evaluate the situation daily to see if it is needed. The last date of facility wide testing was May 19, 2020. We continue to do all we can to keep out residents and staff safe.

As the number of coronavirus cases throughout the country are rapidly changing, we continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please also remember what you can do to help stop community spread of this virus, such as practicing hand hygiene and social distancing, practicing proper cough etiquette, using face masks, and cleaning and disinfecting frequently touched surfaces daily.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 346-998-3500.

Sincerely,

Femi Alabi-Isama
Administrator
